Rental Policy: Available for equipment with purchase date from BSMGR exceeding 24 months.

All items sent as a rental will be charged to your account at the current retail price as well as a \$20.00 handling charge plus the freight charge. Equipment will be rented in increments of 30 days @ 10% of the current retail price.

In order to receive full credit for the item (freight and handling charges and rental fee not included), it must be returned double boxed in the original box with all the original paper work and in the same condition it was sent. (Loaned items not returned double boxed, missing original paper work or not in the original condition will be charged a restocking fee of 20% of the current selling price for that item.)

Equipment not returned within 60 days is considered a purchase and may not be returned. No credit will be given from Bookstore Manager for equipment kept over 60 days from date of shipment.

Place this RMA number on the return shipping label (not the box). Equipment without an RMA number will not be accepted.
