

Merchant Services

Internet credit card and debit card processing

REDUCE COSTS | UP TO 80%

Now you can quickly process credit card transactions at speeds of 3-5 seconds on multiple terminals by integrating **ICC (Internet Credit Card Module)** software into your POS system.

In addition, by choosing Bookstore Manager® as your preferred merchant services provider, you may save even more because we cut out the middle-man and pass the savings on to you.

ICC and **MERCHANT PROCESSOR SERVICES** work in tandem with Bookstore Manager's® various point-of-sale solutions and will help you spend less time on credit card transactions and more time on saving money and serving your customers.

Bookstore Manager Merchant Services gives you:

- Lower rates
- One stop help desk
- Internet or dial-up verification
- One application for both merchant services and POS integration
